IN THE COURT OF GENERAL SESSIONS  
WARRANT NO: 2019A3810200093  
MOTION TO COMPEL PRODUCTION  
OF DNA

TO: Defendant, Bowen Turner, by and through his counsel, Brad Hutto:

The above named Defendant shall take notice that the State will move before the Presiding Judge during the General Sessions term of court beginning April 4, 2022 at the Orangeburg County Courthouse, or as soon as practical thereafter, to request that the Defendant submit to the taking of buccal swabs for DNA analysis.

This motion is made on the following grounds:

1. On the evening of June 1, 2019 into the early morning hours of June 2, 2019, the victim attended a party located at 119 Saturn Way Road, Orangeburg, South Carolina. The victim admits to drinking alcohol during the party, but said she maintained control of her faculties.
2. At approximately 2:00 AM, the victim stepped outside of the pond house to call a friend to pick her up. While she was outside, the Defendant approached her and begged her to stay.
3. The Defendant took the victim by the arm, pulled her behind a truck, pushed her to the ground and forcibly raped her.

4. The victim hid in the woods while the Defendant and his friend looked for her and ran to her friend's car when he arrived. She was driven to a safe location by her friend.
5. She received SnapChat messages from the Defendant asking her not to say anything to anyone after she left the party location.
6. On Monday, June 3, 2019, the victim reported the assault to the assistant principal at her school and it was subsequently reported to law enforcement.
7. The victim identified the Defendant as the person who sexually assaulted her at the party in the early morning hours of June 2, 2019.
8. The victim and Defendant are known to one another as they live in the same neighborhood.
9. The victim was taken to the hospital where a Sexual Assault Evidence Collection Kit was utilized and the evidence collected was sent to the SLED Forensic Services Laboratory for processing.
10. SLED Forensic Scientist Rachel Nguyen conducted an examination of a cutting from the front of the victim's underwear. The results were positive for components of semen. The results were forwarded to the SLED DNA section for further testing.
11. On December 10, 2019, the Defendant's DNA was identified by the South Carolina Law Enforcement Division as a match to the DNA profile submitted to CODIS from the victim's underwear.
12. At the time of the testing, the SLED Forensic Services Laboratory did not have a sample of Defendant's DNA for comparison to the evidence.

13. The SLED Forensic Services Laboratory requires Defendant's DNA sample in order to complete its comparison.
14. There is probable cause to believe that the Defendant committed the offense of Criminal Sexual Conduct in the First Degree.
15. Such evidence is necessary to the successful investigation of this incident, and such evidence collected will aid in further substantiating or eliminating the Defendant as the perpetrator.
16. Such a procedure is minimally intrusive and can be conducted in complete safety to the Defendant.
17. Such an order is necessary and compelling in order to further the ends of justice.

Therefore, the State prays for an Order from this Court to require the Defendant to submit to such an examination for the taking of a buccal swab for DNA analysis.

There will not be plea in the Stoller case. Without Dallas to testify, we cannot ethically pursue a conviction and I do not believe that Brad Hutto can ethically plead his client to a charge regarding any assault on her. As such, any offer will be on the Bess case alone.

Thanks for the update!

Would the plea include both cases or is that up for negotiation?

Leigh - give me a call [REDACTED] - when you're out of trial. I am planning to make contact with both the Bess & Stoller families today. I'd like to chat before we rope anyone else in.

Thank you both!

Brad Hutto contacted me and indicated he would like to try to get the case completely resolved instead of hearing the motion to revoke. He has some conflict with Monday, but we would need time to meet with the Bess family to discuss any potential plea and wouldn't be able to do that by then anyway, so we are aiming to get on the schedule in Orangeburg FRIDAY, April 8. Obviously, we would also like to meet with the Stoller family before then as well. On that Friday, we will either have the motion heard or Turner would be entering a guilty plea.

We will be finishing our trial in Barnwell today and Leigh will be reaching out to the Bess family so we can turn our full attention to what's going to go on next week. We will keep you advised of any scheduling developments.

Hi Leigh and David,

I hope y'all are doing well. Concerning our meeting on Friday with the Stoller Family, it would be best to reschedule. They are planning to be present on Monday. Do we have a time yet for the Motion to Revoke?

Also, I understand that Leigh would like to speak with the Bess Family on Wednesday. Do you have a preference for time, Leigh?

Thank you both for all you do! Looking forward to seeing y'all soon!

David,

Thank you for clarifying your position on the offer. We absolutely agree that if his past behavior is indication, he will not be successful. Carol Bess, Chloe's mother, would like to discuss the offer. Chloe and her father would not join the conversation. Can we schedule something for late afternoon today or tomorrow morning to speak before you extend the offer?

Sarah

Sarah:

I'll talk to anyone that wants to talk about the offer, but for the sake of clarity, when you say "Mrs. Bess" are you referring to Chloe or her mother?

The offer has not been extended, but I am going to email it to Brad today.

As yet, we do not have a time set for the hearing, however I have been in communication with Deputy Solicitor Tommy Scott and he has told me we would be on the schedule at some point that day. Since it is a Friday, I assume that means it would be in the morning.

As far as the offer goes, I formulated it with two goals in mind: first, that Turner accept responsibility for what he did, and second, that he receive mandatory, substantial sex offender counseling to reduce the chances of him doing something similar in the future. These were exactly the two things the Stoller and Bess families indicated were important to them the day we all sat around the table in Dorchester County following the first hearing before Judge McFaddin. I said then, and continue to believe, both of those objectives can be reached. The sex offender counseling through SCDPPPS is very extensive, and sex offender probation is, frankly, punitive, because many of the conditions were created before computers and the internet were as ubiquitous as they are in 2022. It is also intensive supervision, meaning Turner will be under a great deal of scrutiny, including, but not limited to, random drug and alcohol testing.

One of two things are going to happen as a result of this sentence:

1. Turner goes to counseling, does everything he is supposed to do, and ultimately satisfies all the terms of the suspended sentence. If he then goes five more years without being convicted of any crimes, he can get the A&B1st taken off his record.
2. Turner fails to do what he is supposed to do and he gets his probation revoked. He goes to one of, if not THE, most violent prison yard in the State and is put on the SOR for life.

Frankly, I hope that he succeeds because I would like for everyone to succeed, but if his past behavior is any indication, I would not bet on it.

Hi David,

I didn't hear from you yesterday so I wanted to check in. I believe Mrs. Bess would like to talk with you regarding the plea. I do not believe Chloe or Mr. Bess will be participating. Has the offer been extended? Also, do we have a time for the hearing on Friday? Is that confirmed?

Thanks,

Sarah

David,

Thanks for sending this via email. I've briefly spoken to the Bess family, who are, understandably, not in favor of this offer. They are unable to meet this afternoon, as Chloe is working and the family is unable to meet. Can you extend your reasoning so that I may convey to them how you arrived at the decision to plead this down to a probationary sentence with no automatic SOR?

SOR, as well as some active time, is important to the victims, as Leigh and I discussed last week.

I have a doctor's appointment at 3pm. But I am available prior to that. I look forward to hearing from you soon.

Thanks,

Sarah

Turner would be required to waive presentment and plead guilty to one count of Assault & Battery 1<sup>st</sup> Degree for a negotiated sentence as follows:

Sentenced Under the YOA to an indeterminate term not to exceed 6 years, PROVIDED that upon the service of time served (whatever that number is) the sentence will be suspended and he will be placed on Probation for a period of 5 Years. Sex Offender Registry will be held in abeyance. Turner will be on sex offender probation and must complete sex offender counseling during the five year probationary term as required by SCDPPPS. Additional conditions of probation will include no direct, indirect or third party contact with the Stoller, Bess or [REDACTED] families.

After successful completion of sex offender counseling and probation or two years (whichever is later) Turner may petition to have the remainder of his probationary term terminated.

The goal of this is to have Turner complete sex offender counseling and probation, but my understanding is the amount of time the counseling requires to complete varies. While in counseling, Turner would be on sex offender probation.

If Turner successfully completes all probation requirements, he will not be required to register as a sex offender. If, however, Turner violates the terms of the probation and has the YOA activated, he will automatically be required to register as a sex offender. If he violates the terms of the probation and does NOT get the YOA sentence activated, a further hearing will be held to determine whether Turner has to register.

**PETITION FOR  
 RULE TO SHOW CAUSE**

CASE NO.:  
 2019A3810200093

CLERK OF COURT  
 ORANGEBURG, SC  
 WINNIE B. CLARK  
 2022 Apr -6 PM 10:53

COMES NOW THE VICTIMS by and through their undersigned attorney, Sarah A. Ford of the South Carolina Victim Assistance Network, would respectfully show unto this Honorable Court that a Rule to Show Cause be issued as to Illery Bonding Company for contempt for its violation of the Court’s August 5, 2019 Order Granting Bond in the above-referenced case as follows:

1. Illery Bonding Company (hereinafter referred to as “Electronic Monitoring Company”) has provided GPS monitoring services for the Defendant. The Electronic Monitoring Company has submitted to the jurisdiction of the Court for purposes of providing monitoring services in the First Judicial Circuit.

2. On August 5, 2019, this Court issued an Order Granting Bond (“Order”). A copy of the Order is attached hereto and incorporated herein by reference. As part of this Order, “ANY AND ALL violations of the conditions of HOME DETENTION shall be reported to the Second Circuit Solicitor’s Office or the Orangeburg County Sheriff’s Office within 24 hours of the violation. FAILURE TO COMPLY WITH THIS NOTIFICATION REQUIREMENT WILL SUBJECT THE ELECTRONIC MONITORING COMPANY TO POTENTIAL CRIMINAL AND CIVIL SANCTIONS FOR CONTEMPT OF COURT.” (All caps portions are true to the Order and were not added for emphasis).

3. On March 25, 2022, the Solicitor’s Office of the Second Judicial Circuit filed a Motion to Revoke Bond, based on numerous violations of the Defendant’s Bond. A copy of the

 CLERK OF COURT  
 ORANGEBURG COUNTY, SC

Motion is attached hereto and incorporated herein by reference. It is the Victims' understanding that the Electronic Monitoring Company did not notify either the Solicitor's Office nor the Sheriff's Office of these violations as required by the Order. Upon information and belief, the Company was also compensated in exchange for services and duties that were not performed.

According to the data supplied to the Solicitor's Office and/or to law enforcement by the Electronic Monitoring Company and which purports to be from its own monitoring records, the Defendant has effectively escaped custody on nearly fifty (50) occasions. These blatant violations of Home Detention by the Defendant pose grave dangers to the Victims and to the larger community, as well as to the integrity of our judicial system. Yet, the Electronic Monitoring Company willfully failed to notify the Second Circuit Solicitor's Office or the Orangeburg County Sheriff's Office within twenty-four (24) hours of any of the violations. The failure to notify occurred on nearly fifty (50) occasions and such repeated failures indicate willful disregard of this Court's order by the Electronic Monitoring Company.<sup>1</sup> It is the Victims' understanding that the Second Circuit Solicitor's Office and the Orangeburg County Sheriff's Office were not notified of any of these violations.

4. Lack of communication on the part of the Electronic Monitoring Company is a flagrant violation of the Court's Order. It also violates the Victims' right to "be reasonably informed when the accused or convicted person is arrested, released from custody, or has escaped." Victims also have the right to be "reasonably protected from the accused or persons acting on his behalf throughout the criminal justice process." S.C. Constitution Art. 1, Sec. 24 (A)(2) and (6). These rights were not upheld.

5. WHEREFORE, the Petitioner prays that the Court:

- a. Issue Emergency Rule to Show Cause ordering the Electronic Monitoring Company to appear and show cause why they should not be held in willful contempt of this Court for violating the provisions of the Order outlined herein;

---

<sup>1</sup> A willful act is defined as one "done voluntarily and intentionally with the specific intent to do something the law forbids, or with the specific intent to fail to do something the law requires to be done; that is to say with bad purpose either to disobey or disregard the law." State v. Bevilacqua, 316 S.C. 122 (S.C. App. 1994).

- b. Set a Show Cause hearing on Friday, April 8, 2022, at the Orangeburg County Courthouse, when other matters in this case will be heard;
- c. Order the Electronic Monitoring Company to file a report of all GPS-monitored cases to the Court within seven (7) days of the hearing;
- d. Suspend the Electronic Monitoring Company from providing GPS monitoring services for a period of time as determined by the Court, during which time the Company shall pay for an independent audit, and mandate that the Company show proof of changed policies and practices to ensure GPS monitors are actually monitored;
- e. Impose monetary sanctions against the Electronic Monitoring Company; and
- f. Provide other and further relief as this Court deems just and proper.

Respectfully submitted,

IN THE COURT OF GENERAL SESSIONS  
FIRST JUDICIAL CIRCUIT

ORDER GRANTING BOND

2019A3810200093

FILED FOR RECORD  
WINNIE B. CLARK  
CLERK OF COURT  
ORANGEBURG, SC  
2019 AUG 12 10 51 AM

This matter came before me August 5, 2019, for hearing on the Defendant's motion for bond. The hearing was held at the Dorchester County Courthouse. The Defendant Bowen Gray Turner was present for the hearing and represented by his attorney, C. Bradley Hutto. The State was represented at the hearing by Second Circuit Deputy Solicitor David Miller<sup>1</sup>, who opposed the request for bond. The victim's family members were present at the hearing and were represented by Sarah A. Ford of the South Carolina Victim Assistance Network. After hearing the parties' arguments, considering the information presented, and the requirements of S.C. Code Ann. §17-15-30, this court grants the motion for bond as outlined below.

The Defendant was arrested June 12, 2019, and charged with criminal sexual conduct, first degree on the above referenced warrant. The incident leading to the charge is alleged to have occurred in the early morning hours of June 2, 2019, in Orangeburg County, South Carolina. On June 2, 2019, and at the time of his arrest, the Defendant was sixteen years old.

Bond was denied by the magistrate because the Defendant was on bond for another violent offense in Bamberg County at the time of his arrest for this offense. See S.C. Code Ann. 17-15-55(c). Pursuant to the statute, a bond hearing was conducted before the Honorable Casey Manning

<sup>1</sup> This Orangeburg County case was conflicted out of the First Circuit Solicitor's Office to the Second Circuit Solicitor for prosecution. Additionally, the honorable Edward Dickson, resident judge for the First Judicial Circuit, has recused himself in this matter.

on July 9, 2019. Judge Manning took the motion under advisement and subsequently denied the motion for bond without prejudice by order dated July 29, 2019. The Defendant now renews his motion for bond alleging a change in circumstance exists because he has now turned seventeen and will be held in the Orangeburg-Calhoun Regional Detention Center to await trial instead of the Department of Juvenile Justice if he is not granted a bond on this charge. This Court has been provided with a copy of the incident report for this incident and the previous incident in Bamberg County. The Court notes the Defendant is a lawful United States citizen and does NOT appear in the state gang database maintained by the State Law enforcement Division (SLED).

The Defendant has significant family ties to the community and has no prior criminal convictions. He has no history of flight to avoid criminal prosecution and prior to his arrest on this charge he was living with his parents. The Defendant was arrested in Bamberg County on January 29, 2019 and charged with criminal sexual conduct in the first degree for an incident that is alleged to have occurred in Bamberg County on or about October 7, 2018. Bond was set by the magistrate in the amount of \$10,000 and several special conditions were ordered, including GPS monitoring. On April 11, 2019, attorneys for the Defendant made a motion to remove the GPS monitoring requirement of the bond. The Honorable Thomas L. Hughston, Jr. granted the defense motion by order dated April 22, 2019. This incident allegedly occurred only forty-one (41) later and mirrors the allegations of the Bamberg incident.

Based on the foregoing, I find and rule as follows:

1. The defendant shall be released upon the execution of an appearance bond, with surety, in the sum of ONE HUNDRED THOUSAND DOLLARS (\$100,000.00), with the option to post five percent (5%) cash with the clerk of court, to be signed by a licensed professional bondsman or such other person or persons owning sufficient property to secure such sum, or other good and sufficient surety as approved by this Court, with such bond being

returnable on demand to the Court of General Sessions for Orangeburg County, South Carolina.

2. The defendant's release shall be subject to the following special conditions in addition to the usual and ordinary conditions of release:

- a. HOME DETENTION the Defendant must be at home between the hours of 7:00 PM and 7:00 AM; the Defendant may ONLY leave the home between the hours of 7:00 AM and 7:00 PM for attorney visits, court appearances, mental health counseling, and medical emergencies;
- b. HOME DETENTION shall include GPS monitoring at the defendant's expense, and the Defendant shall not be released from custody until the GPS monitor has been affixed;
- c. A copy of this Order shall be provided by the bond court to the company retained to electronically monitor the HOME DETENTION provisions of this order at the time the electronic monitor is affixed.
- d. ANY AND ALL violations of the conditions of HOME DETENTION shall be reported to the Second Circuit Solicitor's Office or the Orangeburg County Sheriff's Office within 24 hours of the violation. FAILURE TO COMPLY WITH THIS NOTIFICATION REQUIREMENT WILL SUBJECT THE ELECTRONIC MONITORING COMPANY TO POTENTIAL CRIMINAL AND CIVIL SANCTIONS FOR CONTEMPT OF COURT.
- e. While subject to the conditions of HOME DETENTION, the Defendant must live at his Grandmother's residence located at 1104 Mobile Street, Orangeburg, SC 29115.
- f. While subject to HOME DETENTION, the Defendant must be physically monitored by his parents Jennifer and Walt Turner, his grandmother, Cheryl Baugh, or by his aunt, Theresa Bramblett, but the Defendant is not to be unaccompanied by at least one of the aforementioned family members at any time.
- g. While subject to HOME DETENTION, the Defendant is prohibited from having visitors in his home that are not related to him by blood or marriage.
- h. The Defendant shall have NO CONTACT, directly or indirectly, with potential witnesses or with the victim or the victim's family. This NO CONTACT provision

shall require the Defendant to stay a minimum of 250 yards from the victim and a minimum of one-quarter mile from the victim's residence at all times.

- i. While on bond, the Defendant must enroll in and make adequate academic progress toward completion of his high school graduation requirements.
- j. Aside from required internet access to complete academic requirements as outlined above, the Defendant is to have NO internet or phone access and is prohibited from any and all social media activity.

**ADDITIONALLY, IT IS ORDERED:**

1. If the Defendant is observed violating any term or condition of this Order, any law enforcement agency is hereby authorized by this Order to immediately take the Defendant into custody and to hold the Defendant in custody pending a hearing on the alleged violation(s) of this Order.
2. Any magistrate judge for Orangeburg County is authorized to complete the necessary paperwork to allow the Defendant to garner his release on bond in accordance with the terms of this Order.
3. Any necessary paperwork to be signed by the Defendant to post this bond may be signed by the Defendant's father, Walt Turner on behalf of the Defendant.
4. Until such time as this original order can be filed with the Orangeburg County Clerk of Court, scanned or facsimile copies of this order shall be treated as original.

**IT IS SO ORDERED.**

HEARING DATE: 9 MARCH 2020

ATTORNEY FOR STATE: DAVID W. MILLER

ATTORNEY FOR DEFENDANT: C. BRADLEY HUTTO

VICTIMS ATTORNEY; SARAH A. FORD

COURT REPORTER: FRANCES B. RAY

PRESIDING JUDGE: GEORGE M. McFADDIN, Jr.

(ORDER PREPARED BY JUDGE)

This matter is before me as a result of Defendant's request to modify his bond to allow him to relocate his house arrest to his parents' home. A hearing was held, without objections to venue, in Lee County, South Carolina on 9 March 2020. Defendant was present with his parents; victims were present with their parents; Assistant Solicitor David W. Miller of the Second Circuit was present; C. Bradley Hutto, Esq., was present on behalf of Defendant; and, Sarah A. Ford, Esq., was present on behalf of the victims. Regarding the raised

attorneys, I appreciate the very civil and respectful manner in which they treated each other and the court.

At the hearing Defendant, through his attorney Mr. Hutto, was heard. Mr. Hutto sought the amendment and offered his position concisely. The State, through Assistant Solicitor Miller, was heard, and he did not oppose the amendment. The victims were heard through Ms. Ford who stridently offered her position on behalf of the victims. Also, a parent of each victim read statements opposing the bond modifications. I took copious notes and informed those present that I would take the matter under consideration.

I preface the balance of this order by stating, as I often have, that setting or modifying the conditions of a bond is, for a judge, very often a vexing and risky endeavor. A judge is called upon by law to consider the relevant factors set by statute. Yet, in many cases judges are expected to trade the robe for a crystal ball and look into the future to predict the conduct of a defendant after bond has been set. The best and the brightest who wear the robe simply fail in that quest.

DEFENDANT'S REQUESTED MODIFICATION OF HIS BOND:

Defendant requested that his bond be modified to allow him to reside under house arrest at his parents' home at 3361 Jackson Drive, Orangeburg, South Carolina.

Currently, Defendant is residing under house arrest at

his grandmother's house at 1104 Mobile Street, Orangeburg, South Carolina. Defendant avers that the victim in the June 2, 2019 incident has moved from South Carolina to Florida.

The bond conditions that Defendant wishes to amend attach to the bond set or issued by this court on August 5, 2019, a bond that addressed only the victim in the June 2, 2019 incident.

BOND HISTORY: The bond at issue in this order was set by me in the First Judicial Circuit on August 5, 2019 after a hearing was held. Earlier, on or about January 29, 2019, Defendant was arrested and charged with CSC in the first degree for an incident that happened on or about October 7, 2018. A magistrate judge set bond in that case and provided for certain conditions to include GPS monitoring. On April 11, 2019, Judge Thomas L. Hughston, after a modification hearing, granted Defendant's request to remove the GPS monitoring condition. In June 2019, Defendant was charged again with CSC first degree. When the second offense occurred Defendant was not wearing a GPS monitoring device and thusly his movements were not being monitored.

When the second arrest was made the magistrate denied bond for the June 2019 offense and arrest. Defendant moved before Judge Casey Manning who denied bond without prejudice. Because Judge Manning's ruling was without

prejudice Defendant renewed his motion for bond for the second offense before me on August 5, 2019. I issued a ruling regarding bond. This is the bond, or the conditions of that bond, that is before me for consideration.

(The bond conditions I am asked to modify relate only to the case or charge related to the victim of the June 2, 2019 incident. I see that as a technical issue and, right or wrong, address the modification request here to include, to some degree as you will see, the victim of the October 2018 incident. Further, please be mindful that my use of the words "victim" or "victims" does not, as we well know, determine the guilt of Defendant.)

STATEMENT BY FRANCISCA CHAMBERS: Ms. Ford offered the statement of Francisca Chambers wherein she offered her opinion as an expert in the area of victims of sexual assault. I read her statement and appreciate her position. However, to insure her concern that the victims be shielded from any or all contact with Defendant would require a denial of bond and placement of Defendant in jailed confinement. I have crafted this order with continuing efforts to minimize any contact involving Defendant and the victims.

VICTIM'S ARGUMENT THAT THERE HAS BEEN NO PRIMA FACIA  
SHOWING OF A MATERIAL CHANGE IN THE CIRCUMSTANCES TO  
WARRANT MODIFICATION OF THE BOND CONDITIONS.

Ms. Ford, on behalf of the victim (or victims), states that SC law requires that Defendant present a qualifying change of circumstances before a bond modification can be made. Ms. Ford offered the following "...only upon the defendant's prima facia showing of a material change of circumstances which relate to the factors provided in Section 17-15-30 and which have arisen since the prior motion to reconsider..." SC Code Ann. 17-15-55(A) (2).

Ms. Ford offers that none of the modification factors reference any action of the victim as allowing a modification, and she avers that Defendant did not file a written motion making a prima facia showing of a material change in circumstance.

As to the absence of a written motion prepared and submitted by Defendant, there was no objection at the hearing as to the absence of a motion from Defendant. Thusly, the hearing proceeded without this motion. I did not see a statutory requirement that the motion be in written form. Whether one should be or not, there was no objection at the hearing.

Ms. Ford asserts that there is no precedent for a victim's change of circumstances justifying a bond

modification. Regarding the noted statute of criteria to consider bond condition modifications, I did not see any language restricting the modification analysis to only those factors provided. I think it reasonable to assume that if the legislature wanted the considerations to be limited to only those factors provided, the legislature would have crafted the statute to state just that. I do, and should, applaud Ms. Ford for her assertion that the victim's move to Florida should not be a change of circumstances Defendant should be allowed to argue, I respectfully disagree, especially when the concern is there being no contact by Defendant with the victims. Indeed, if victim lives in Florida for most of the year that is, in my view, a material change of circumstances.

VICTIM'S ARGUMENT THAT DEFENDANT'S PARENTS' HOUSE IS NOT A SAFE OR APPROPRIATE PLACE FOR THE DEFENDANT TO SERVE HIS HOUSE ARREST.

Ms. Ford correctly asserts that Defendant was living with his parents at their home when the three incidents happened. (I have noted the two leading to Defendant's arrests. In this section of her reply to the modification arrest, Ms. Ford mentions that a first complaint was made in May 2018 that is still under investigation as of March 2020.) Yet, there is one element missing in this position: Defendant was not subject to or wearing any GPS tracking device when living with his parents. For a time he was, but it was when he was not monitored that the

assault events occurred. He was not being GPS monitored when the May 2018 episode took place or when the October 2018 event occurred. And, because another judge had removed the GPS monitoring, Defendant was not wearing one when the June 2, 2019 assault happened.

While Defendant has been GPS monitored there have been no assaults or any other offenses or related problems, to include harassment or threats made to the victims. No such information was offered at the hearing.

Again, Ms. Ford has offered a strong argument that Defendant's parents cannot provide a secure place for Defendant. Yet, again I note that when Defendant erred he was not being monitored.

VICTIM'S ARGUMENT THAT ALLOWING DEFENDANT TO RELOCATE TO HIS PARENTS' HOUSE WILL VIOLATE THE VICTIM'S CONSTITUTIONAL RIGHTS.

I agree with Ms. Ford's well-written position regarding the victims' rights. Yet, I am mindful that such rights do not negate or surpass those of Defendant. Indeed, a balancing of the rights comes into play. Let us not forget that there has been no conviction for any of the charges. I appreciate the argument of the victims.

The precise point offered is that allowing Defendant to live with his parents under house arrest will increase the likelihood that Defendant and victims will see or encounter each other. Currently, Defendant lives with his

grandmother three to four miles from his parents' home in Orangeburg. If Defendant is at his parents' home the distance is less than a mile or so from one victim.

Again, I address the GPS monitoring factor that was not in place when the assaults happened. Regardless of the residential location of Defendant he will be (1) on house arrest and (2) subject to GPS monitoring. Might he and the victims encounter each other by happenstance? Possibly but such could have happened or could happen if he lives with his grandmother. One victim attends school in Florida and the other attends school in the Charleston, South Carolina area. Thus, during the school year victims, most of the time, will not be in or near Orangeburg where Defendant resides either with his parents or his grandmother. Supervision of Defendant pursuant to the prior bond conditions will remain in force. See (f) on page three of that bond order.

I respectfully disagree that the modification requested ignores the rights of the victims. I have considered their rights.

VICTIMS' ARGUMENT THAT THEIR CONSTITUTIONAL RIGHTS HAVE BEEN CONSISTENTLY VIOLATED THROUGHOUT THIS CASE.

Victims assert that the State has allowed Defendant to circumvent his bond conditions. This matter or issue of accusation is not before me. I have been involved twice in this case. I heard the bond modification motion

in August 2019 and I heard the request in Lee County, South Carolina, on March 9, 2020. I am not trying to dodge the issue or allegation but I was not involved in any events related to the Defendant, the victims, or the bond conditions between those two episodes of my involvement or before I became involved.

Regarding notice to victims regarding this modification request, on Friday, February 28, 2019, at 4:53 p.m., I told Assistant Solicitor Miller, by email, that "...since the victims want to be present and heard we will need to hold a hearing." I also stated that "...if the victim desires to be present then a hearing is needed." Responses to my email indicated that the victims would be present at the hearing. I am not saying that my email alone insured notice to the victims. Clearly, Assistant Solicitor Miller informed Ms. Ford of the hearing and she indicated the victims would be present.

Having addressed the arguments of Ms. Ford who represented the victims well and with much alacrity in this matter, I stress to all that in this matter I have "called it like I see it" with no reason or desire to reward or punish Defendant, the victims, or the lawyers. In my view, the episodes of assaults all happened when Defendant was not monitored. He will remain monitored. I am not aware of any criminal conduct or charges against

Defendant when monitored. (I again stress that my words here are not conclusive of the guilt of Defendant.)

Accordingly based upon the foregoing, I find and conclude as follows:

There has been a prima facia change of circumstances allowing modification of the bond condition thereby allowing Defendant to reside in his parents' home immediately upon the filing of this signed order. Notice of this ruling shall be provided to the victims coupled with the victims being given certified copies of the order once signed. Additionally, at no time shall Defendant, even with any of the four adults named in the prior order, be allowed to travel upon the roadways or streets where either of the victims or their immediate families live.

Those conditions and orders of any of the prior bonds not amended in this ruling or order shall remain in full force and effect and are merged into this ruling by reference and made a part of this order.

It is here and now ordered this 16th day of March 2020 at Julio, South Carolina.
