Re: South Carolina Department of Natural Resources Investigation
Beaufort County Boating Incident 2/24/2019

Dear Attorney General Wilson:

SCDNR is currently investigating a boating incident which occurred Sunday, February 24, 2019. One of the occupants of the boat is still missing. Two of the other occupants are related to persons employed by my office. As there is a possibility that charges may be brought and SCDNR may need legal assistance with their investigation, I am asking that you either assign someone from your office or another Solicitor's Office to this case. Please let me know if you will accept this case and I will notify SCDNR.

Thank you for your assistance in this matter.

Yours sincerely,

Duffie Stone
