CODEFENDANTS

STATE OF SOUTH CAROLINA
COUNTY OF BERKELEY

FILE # 31-15-0074

AFFIDAVIT

Personally appeared before me, a magistrate of this County, one, Special Agent David Owen, of the South Carolina Law Enforcement Division (SLED), who, first being duly sworn, deposes and says that

MICHAEL F. COLUCCI

did within this County and State on the 20th day of May, 2015, violate the criminal laws of the State of South Carolina in the following particulars:

DESCRIPTION OF OFFENSE

MURDER

16-3-10

The affiant states that there is probable cause to believe that the defendant named above did commit the crime(s) set forth, and that such probable cause is based on the following facts:

That on May 20, 2015, while at 2206 North Main Street, Summerville, in the County and State aforesaid, the above named defendant, **MICHAEL F. COLUCCI**, did commit the offense of violation section 16-3-10 of the South Carolina State Code of Laws, 1976 as amended, **MURDER**, in that he did willfully, unlawfully, feloniously, and with malice aforethought, strangle the victim, Sara Lynn Moore-Colucci, and that this did directly cause the death of the victim.

That on May 20, 2015, members of Berkeley County Sheriff's Office responded to 2206 North Main Street, Summerville, in reference to an unresponsive female. Victim Sara Lynn Moore-Colucci was located outside of a building, deceased from an apparent strangulation. Subsequent investigation revealed that the victim and defendant arrived at this location together. There were no witnesses present. The victim reportedly exited the vehicle and sometime later, the defendant found the victim, purportedly hung with a garden hose.

That on or about July 30, 2015, Sheriff Duane Lewis of Berkeley County, requested the South Carolina Law Enforcement Division (SLED) to investigate. Subsequent investigation conducted by Special Agent (S/A) David Owen revealed information from several witnesses, whom will be later identified, that the defendant told them that the victim hung herself with a garden hose, with the defendant approximately 20 feet away, seated in his vehicle. Medical evidence collected from the victim found that she was not strangled with the mentioned garden hose. Furthermore, evidence collected from the scene the night the incident was reported contradicts the defendant's version of events as relayed by witnesses and that the evidence indicates a fight or struggle ensued.

The above information was revealed through the investigation of S/A Owen, and he, along with witness' statements, is witness to prove the same against the form of the statute in such case made and provided against the peace and dignity of the State.
