Hearing Date:

This matter came before me on the above mentioned date, pursuant to a motion to require the defendant to show cause why the defendant's default in paying fines and restitution (strike inapplicable) should not be treated as a civil judgment and a judgment lien attached. After hearing the evidence, I find that no cause was shown why judgment should not be entered for the unpaid balance of fines and restitution (strike inapplicable). I find the unpaid balance of the fine and restitution (Strike inapplicable) due and the payee to be as stated below.

It is therefore ordered and judged and decreed that the payee, shall have judgment against the defendant in the sum stated below. It is further ordered that the clerk of court enter this judgment in the civil judgment records of the court. All of which is ordered pursuant to S. C. Code Ann. 17-25-323.
