I know it's hard to make the Biblical Godly decision when your emotions and thoughts and the people around you are all telling you to compromise and do the wrong thing:
But I'm willing to support you and help you in any way if you decide to choose to obey Gods Word and live a life that is totally pleasing to Jesus.

It's not easy at first but in the long run the benefits are amazing.

I know deep in your heart that you want to do it but you don't want to lose the favor you have with those around you. Just remember, the enemy comes to steal, kill, and destroy. And everything God has done for you in the past 10 years is being stolen from you and destroyed. Don't let the devil win. Ask yourself- why would the most Godliest people in your life like rev [REDACTED], [REDACTED], [REDACTED], and those who serve God wholeheartedly, tell you how Jesus wants restoration.

Please don't repeat your same behaviors from 2015. Don't let Satan win. Make the right decision that will affect generations to come. Try to remember how happy you were when you were pleasing Jesus and happily married and serving God with your gifts and talents.

Thousands in Mb and Africa were blessed by your Godliness.

Don't lose all of that just because of some mental unhealth Or because some people are speaking deceitful things into your ears.

Recognize who the enemy is.

I bless you in Jesus name and pray deliverance and restoration over you.
